

mini vortex

MIXER

SMALL SIZE, POWERFUL MIXING

With touch-activated operation, the Mini Vortex Mixer provides powerful mixing in a small footprint for tubes up to 50 mL.

SMALL SIZE, POWERFUL MIXING

The Mini Vortex Mixer delivers a fixed speed of 2,800 rpm by only applying slight pressure to the center of the spill-resistant vortex head. Remove the pressure and the vortex motor immediately stops. The entire operation is quiet and smooth and contained in a small 10 x 10 cm (4 x 4 in.) footprint.

MINI VORTEX MIXER

Specifications
